## Kirami Original Woody M Dippy

### -no heater- Thermowood

Cool down in a genuine wooden tub, Woody Dippy. The Woody hot tub is also available without a heater and its installation holes. This allows it to serve as a heavenly refreshing dipping tub on a hot summer's day or after a vigorous session in the sauna. Cold water can also mimic the feel of winter swimming, delivering the same health benefits year round. After all, using cold water to recover is a widely recognised method amongst athletes.

**Heater:**  
-no heater-

**Outer color:**  
Thermowood

Warmer feelings.

## Kirami Original Woody M Dippy

### -no heater- Thermowood

No heater. The heat-treated pine used in the outer shell is a Finnish alternative for dark-coloured imported wood. ThermoWood is a high-quality, long-lasting material with a warm brown colour that maintains its shape well. The barrel diameter is 170 cm and water volume 1860 litres. It is suitable for 4-6 people. The dry weight of the hot tub is 140 kg.

**Heater:**

-no heater-

**Outer color:**

Thermowood
